

STAGE PLOT / SOUND REQUIREMENTS DESCRIPTION:

**Jason Farnham**

**2 Vocal mics: 1 on boom stand, (no stand is necessary for 2<sup>nd</sup>):**

1 at the grand piano – **wireless** if possible (*Please make sure this boom stand is normal ( long-style) length, so that boom arm reaches at least half-way across the keyboard when extended*)

1 at toy piano (no stand needed)

**3 Instrument Mics**

2 at the piano (depending on miking preferences of sound engineer)

1 for the toy piano

**2 Monitors**

1 at piano

1 at toy piano

**Misc:**

**iPod hookup (miniplug cable) at the piano- for backing loops**

**Video Projector, DVD player and screen (if available):**

**Preferred method of playing videos is by DVDs (artist supplied). The DVDs also include audio, which would be sent to both the house & monitors.**
